

## CES-RJ45EC8

## CABLE SERIES

### Laird CES-RJ45EC8 4-Channel CAT5e Tactical Ethernet Snake Cable RJ45 to Neutrik etherCON

The Laird RJ45-EC8 series is a heavy-duty CAT5e Ethernet cable designed for various applications. It features Belden 7923a DataTuff Twisted pair cable, ProShell CAT5e connector boot for locking tab protection, and a professional Neutrik EtherCON NE8MC RJ45 connector. ProShell offers robust, repeatable connections without specialized connectors at both ends. Neutrik's etherCON, with a rugged diecast shell and unique strain relief, safeguards Ethernet connections in broadcast & commercial settings. Ideal for video and audio CAT5e extenders, on set or in the field, providing reliable, road-worthy performance.

#### Features:

- Built for demanding applications with Belden 7923a DataTuff Twisted pair cable
- Features ProShell CAT5e connector boot and Neutrik EtherCON NE8MC RJ45 connector for secure, lasting connections
- Road-worthy solution for stage environments, compatible with standard hardware
- Rugged construction with Neutrik's etherCON, offering a robust diecast shell and strain relief to prevent breakage
- Ideal for video and audio CAT5e extenders on set or in the field, ensuring reliable performance

#### Specifications:

- **Belden 1304A4 24 AWG CatSnake Cable**
  - Bend Radius: 7.6 in (190 mm)
  - Max. Pull Tension: 176 lbs (79.8 kg)
  - Conductor Size: 24 AWG
  - Conductor Stranding: 7x32
  - Conductor Material BC - Bare Copper
  - Insulation Material: Polypropylene
  - Inner & Outer Jacket: PVC
  - Overall Cable Diameter: 0.757 in (19.2 mm)
  - Max. Conductor DCR: 90 Ohm/km (27 Ohm/1000ft)
  - Voltage Rating: 300 V
  - Operating Temperature: -30°C to 75°C
